## DOOR SPECIFICATION

<b>Description</b>	Slab
<b>Finish</b>	Knotty oak veneer cross scratched and stained*
<b>Frame material</b>	MDF
<b>Door thickness</b>	18mm
<b>Edge colour</b>	As face
<b>Reverse colour</b>	Different grain structure from face**

\* Veneers are randomly selected and therefore, each door will be different in grain structure and can have variation in colour. There will be a variation in grain structure from door to door, with light and dark areas merging to enhance its realistic appearance. The application of a stain will usually emphasise this variation.

\*\* The door has an A side and a B side, each side having a noticeable grain difference.

## STANDARD DRAWERFRONTS & DOORS
